

Videographer Cavalier Online Experiences (CONEX)

CONEX

Cavalier Online Experiences (CONEX) is an innovative online summer program that provides learning experiences in quantitative reasoning and support transitioning from high school to life on Grounds. CONEX allows students to prepare for the rigors of quantitative study without leaving their homes or giving up valuable summer jobs, research opportunities, athletic competitions or other pursuits. CONEX is an experimental cutting-edge program for experimental cutting-edge scholars and will accelerate academic transition to UVA and provide students access to a supportive group of peers and mentors before stepping on grounds. More information about CONEX can be found at <https://devhub.virginia.edu/conex/>
